RESPONSE TO RESTRICTION REQUIREMENT

This responds to the Office Action dated November 29, 2005.

Remarks

Reconsideration of the application is respectfully requested in view of the following remarks.

Status of Pending Claims

In the Office Action dated November 29, 2005 ("the present Action"), the Examiner indicates that claims 1-34 are pending in the Application. However, claims 1-10 and 35-46 are actually pending in the Application. In the Amendment filed by Applicants on November 4, 2005, Applicants canceled claims 11-34 without prejudice and added dependent claims 35-39 (which depend from independent claim 1 in Group I), independent claim 40 (which includes language in large part taken from independent claim 1 in Group I), and dependent claims 41-46 (which depend from independent claim 40).

No claims have been allowed. Claims 1, 6, and 40 are independent.
